Davistudio

Davistudio is an art studio and gallery that makes fine porcelain items designed by Mary Anne Davis. Established in Spencertown in 2000, the studio specializes in custom made dinnerware, serveware and art. We also produce unique dishes that bear the names of cities, states and regions as well as images of animals and nature. From June 1st through Labor day the studio is open to visitors on Saturdays from noon-4PM or anytime by appointment.

Taconic Brass

Brass Musical Instrument Repair

Rob Fisch of Spencertown has been performing and maintaining his own brass instruments for over 50 years. After creating a new workspace, he is now offering repair services to other musicians. Services include dent repair, stuck slides, internal deep cleanings, soldering, valve alignments, cork and felt replacement, appraisals, and more.

Call or email for appointments and consultations.
