Town of Austerlitz Public Hearing/Regular Town Board Meeting October 19, 2023

Present: Robert Lagonia, Town Supervisor, Christopher Schober, Jere Wrightsman, Maureen Wilson, Town Board Members, Susan Haag, Town Clerk

Town Board Member Greg Vogler on vacation. Highway Superintendent Peter Fitzpatrick absent due to illness.

Attorney for the Town, Joseph Catalano, present.

Public Hearing for the 2024 Town of Austerlitz Preliminary Budget called to order at 6:15 p.m.

Town Clerk Haag advised that the public hearing notice was duly advertised as prescribed by law.

Supervisor Lagonia noted the following: 2024 Austerlitz Budget Summary

- 1. Property taxes are raised 1.73%, below the state mandated tax cap of 2%.
- 2. Property taxes only fund approximately 36% of all town expenditures.
- 3. General Fund: Expenditures and revenues in 2024 are up \$88,500 (or 11.5%) to \$855,500. Increases in expenditures are mainly due to salary increases (6% to all employees except the town justices and the highway employees see below), an allocation to paint the town hall, funding towards a property assessment revaluation, a return to full contingent funding, an increase for attorney fees, and the inclusion of the Climate Committee Coordinator's compensation. These are partially offset by a reduction to our Comp Planner fees as we expect this project to complete in the first half of 2024. Revenues increases are mostly a result of investing strategy changes to take advantage of much higher short-term CD rates, and anticipated increases in revenue from building permits and fines and forfeitures.
- 4. Highway Fund. Expenditures and revenue in 2024 minus state funding are up \$9,123 or about 1.2%. Each of the Highway personnel will receive their contracted pay raise plus an additional \$1/hour due to the high rates of inflation the past few years and to stay competitive with the compensation being given by other towns in Columbia County. These increases are partially offset by expected increases in sales tax revenue and lower, more accurate budgeting for health insurance.

Town Board Maureen Wilson questioned the amount budgeted for enhanced patrol noting that in past this line item has been depleted. Should this line-item amount be increased to accommodate more patrol since there are many people in Town who are concerned with speeding. M. Wilson also questioned where the patrols sit. Supervisor Lagonia noted that he has had a discussion with the County Sheriff and the Sheriff's Department is down 13 people so coverage is struggling. The current plan is for the patrol to sit part of the time on the Taconic State Parkway and part of the time in Town. When a new contract is signed next year, the Town can be more specific as to where the patrols happen. Supervisor Lagonia continued that there is no room in the budget for an increase. The State Police do spend time in Town. Supervisor Lagonia will speak with the Sheriff about the coverage and where to sit for speeders. Town Board Member Chris Schober asked if the Town has to pay out of pocket anytime the Sheriff comes to the Town to which Supervisor Lagonia noted that the Town does not pay for routine visits.

Member Wilson would also like the Town to purchase another speed sign which can be put in plenty of places. Town Board Member Jere Wrightsman noted that one of the current speed signs in on Punsit Road. M. Wilson remembers that the last one cost around \$2800.00 and the money that the Town makes from speeding fines can pay for this since this would be used for public safety. Supervisor Lagonia noted that the Town does have some money that can be used for an additional speed sign. Next year the new Town Board can discuss.

Member Wilson questioned a roll over that was reported on Route 203 by Fire Hill Road. Supervisor Lagonia will look into it.

A question arose whether there is enough budgeted for Town Code Enforcement since more enforcement is needed. Supervisor Lagonia advised that this is a bigger discussion to have before the end of the year. The Town does not need to budget more, but rather make sure more attention is given to enforcement issues.

Chet David noted that with the amount of speeding that goes on in Town, the roads are dangerous. There are at least three dangerous intersections on State Route 203 alone. There is not enough patrolling and the speeds are not being controlled. There needs to be more signage on the roads and more attention to speeding. Supervisor Lagonia noted that the Town is trying to be proactive and hears what Member Wilson is saying. Member Wilson has been spearheading meetings with the State for more road signage and the Town is using the speed signs. Supervisor Lagonia has made some phone calls to the Sheriff's Department and is getting some attention and he will continue to have conversations. Supervisor Lagonia will also check in with Highway Superintendent Fitzpatrick to see where he is placing the speed signs and what the plan is going forward. Again, the Town needs to remember that the Columbia County Sheriff's Department is short staffed.

Further discussion was heard concerning options and how speed signs work.

Member Wrightsman noted that the line item titled NYSERDA Grant A3004, is not a correct place to take out money for the payment of the Climate Smart Coordinator. The Scout Fund provided the grant money for this. The name of line item A3004 will be changed to NYSERDA Grant and Climate Smart Grant Fund.

Town Board Meeting

Public Hearing for Local Law #2-2023 Volunteer Ambulance Workers Real Property Tax Exemption was called to order at 6:45 p.m.

Town Clerk Haag advised that the public hearing notice was duly advertised as prescribed by law.

Supervisor Lagonia read the intent section from the proposed local law and noted that Columbia County adopted this same type of law.

Attorney for the Town, Joseph Catalano advised the firefighter exemption is a 10% exemption if you have 2 years of service in a volunteer position in the Town in which you live. The senior citizen exemption increases the income levels for entitlement to keep current with State levels. Both of these sections mirror the County's law.

Town Board Member Chris Schober questions what the projections are for lost income with these exemptions in place. Supervisor Lagonia noted no projections have been done. Member Wilson believes giving these exemptions is the least the Town can do for those who serve.

Deborah Oleynek questioned the parameters for the firefighter exemption and was told the firefighter exemption is a 10% exemption if you have 2 years of service in a volunteer position in the Town in which you live. Further explanation was given on un-remarried surviving spouses.

Reports

Supervisor's Report

Monthly Cash Disbursement Report for the Month of June 2023 submitted. There is roughly \$2.5 million in the bank. No anomalies in the line items.

For the Broadband project, Consolidated Communications is finished with their part. Mid-Hudson Cablevision had some issues getting permits for poles, but that has since been remedied. Mid-Hudson Cablevision will begin work soon.

The Dugway Road Bridge Project is complete and Colarusso did a great job. Supervisor Lagonia thanked A. Colarusso and Son noting that Dugway Road was only closed for a couple of weeks. Unfortunately, at night people were moving the caution barriers and barricades and driving over the bridge. Everyone is fortunate that no one was injured.

On a County level, Supervisor Lagonia is still working on the County budget which is close to completion. The process has been very challenging in trying to cut areas due to the deficit. The survey done for County Fire Companies will come out soon with suggestions similar to those heard in the Emergency Ambulance Service survey. The County would like to see a central system, but that probably will not happen. This is a very long road. The Town of Austerlitz has a contract with the Chatham Rescue Squad as do other Towns. The problem is that all the Towns involved pay differently for the services and this is not an equitable solution. The process was discussed.

Supervisor Lagonia reminds the Town Board to retrieve their CPR Certificates that were emailed out recently.

Highway Report:

The Dugway Project looks great and has gone smoothly. Very pleased! We will be submitting this to the CHIPs program for repayment early next year.

The State Conference of Highway Superintendents was a worthwhile trip. Some topics discussed were the CHIPs program rules, budgeting, and salt usage.

The crew has been busy with replacing a few more rotten culverts, and adding material to several roads. Specifically, Spencer, Old Macedonia and Bloody Hollow are dramatically improved. They are currently working on the Fall grading/tune-up and started the blowing of leaves then clearing ditches before the winter season starts.

The new Grader tires we ordered what seems like months ago are due in any day now. We are excited by the idea of having tread again!!

I'm pricing and expect to purchase an additional more powerful leaf blower soon. Our current one works well on the road surface but not great for the ditches. A more powerful one with a better nozzle would greatly improve our ability to efficiently blow leaves out of ditches and culverts. This is our greatest challenge in keeping the water flowing freely in the ditches and limiting storm damage.

We will be submitting our summer paving projects for the next CHIPs reimbursement soon.

NOV 16 2023

Won't be long and we'll be mounting plow frames and eating turkey! Hope everyone is well.

End of Report

The Town Board discussed purchasing a leaf blower. Member Wrightsman will chat with Highway Superintendent Fitzpatrick about Climate Smart options before he makes a purchase.

Chair Wrightsman reiterated the grant section of the report noting that grant money could be awarded to the Town for replacing the Highway Garage boiler and expanding the solar array, as well as, purchasing heat pumps for the Town History Center. Discussion was heard noting that the Town has already garnered bids for the Town History Center heat pump and subsequently deciding this was not the way to go and concentration should be on the Highway Garage component. Town Board Member Chris Schober noted that the grant deadline is November 21st. Timing might be an issue so the easier path is to request money for the Town History Center heat pump. Member Wilson noted that the windows in the History Center are bad and those should be replaced first. Member Wrightsman noted that there is NYSERDA money available for

Correspondence

Charles Vander Weit: Requests that the speed limit on Punsit Road be decreased to 25 MPH.

Sheldon Rappaport: Thanks the Town Board for installing the 30 MPH signs on Punsit Road so quickly.

NYMIR: After visiting the Town of Austerlitz suggests that the Town consider utilizing a Facility use Form that includes a Hold Harmless and Indemnification clause in favor of the municipality, as well as, requiring a Certificate of Insurance from the organization wishing to use the facility. This form should be reviewed by the Town's legal counsel. A sample form is available from the NYMIR management.

Attorney Catalano will reach out to NYMIR to get their form and see where this would be applicable for the Town since Town Hall use and contractors are already covered.

Town Board Meeting

WHEREAS, the Town Board has been informed that a recent amendment to the Real Property Tax Law allows local governments to provide a real property tax exemption for individuals who serve as volunteer firefighters and ambulance workers; and

WHEREAS, the Town Board recognizes the invaluable public service these volunteer first responders perform and the dedication they have to volunteer their time for such service; and

WHEREAS, given that the State has provided such authority for the first time and in recognition of these individuals as well as to encourage others to volunteer, the Town Board desires to make available such exemptions as soon as possible; and

WHEREAS, the Town Board has also been informed that the County of Columbia has increased the income levels for which seniors and disabled persons may receive a partial exemption on County real property taxes and the Town Board desires to increase these income levels as well for Town tax purposes; and

WHEREAS, counsel for the Town prepared a proposed Town Local Law (introductory Local Law No. 2 of 2023) to address the new real property tax exemption for volunteer firefighters and ambulance workers and increasing the income levels for seniors and disabled persons who own property in the Town of Austerlitz and the proposed law was reviewed and discussed by the Town Board at a meeting of the Town Board held on September 21, 2023 at which time the Town Board formerly introduced the proposed Law and scheduled a public hearing for October 19th; and

WHEREAS, the public hearing on proposed Local Law No. 2 of 2023 was duly held on October 19, 2023 and, after providing the public with an opportunity to make comments on said Law, the hearing was closed by the Town Board; and

WHEREAS, the Town Board is prepared to take action on the proposed law;

HUY 16 2023

Town Board Meeting

NOW, THEREFORE, BE IT RESOLVED as follows:

- a) The public hearing on proposed Local Law No. 2 of 2023 has been duly held and closed and those who wished to be heard regarding said proposed law had a full and fair opportunity to be heard. The Town Board has considered all comments made.
- b) The Town Board determines that the adoption of the proposed Local Law is an action that is identified as a Type II action under the State Environmental Quality Review Act (SEQRA) as local legislation involving continuing agency administration, and, as such, further environmental review is not required.
- c) The Town Board hereby adopts Local Law No. 2 of 2023 of the Town of Austerlitz, entitled, "Volunteer Firefighter and Volunteer Ambulance Workers Real Property Tax Exemption."
- d) The Town Board hereby requests that the Town Clerk prepare said Law for filing and that it be filed with the Office of the Secretary of State.
- e) This Resolution shall take effect immediately.

Be it enacted by the Town Board of the Town of Austerlitz, in the County of Columbia, as follows:

A local law entitled, "Volunteer Firefighter and Volunteer Ambulance Workers Real Property Tax Exemption":

ARTICLE 1. Volunteer Firefighter and Volunteer Ambulance Workers Real Property Tax Exemption

SECTION 1. Legislative Intent and Purpose

In recognition of the public service and dedication of emergency responders, it is the intent of the Town Board of the Town of Austerlitz to provide for a new real property tax exemption to qualifying firefighters and ambulance workers as set forth in Real Property Tax Law § 466-a and to be codified in a new Article of Chapter 175, entitled, "Taxation," in the Town Code of the Town of Austerlitz.

The Town Board understands that attracting and retaining quality volunteer firefighters and emergency medical personnel is an important issue facing the Town of Austerlitz as well as many communities in the area and that maintaining effective emergency response depends on the volunteers for those positions.

The Town Board recognizes that attracting and retaining quality volunteer firefighters and emergency medical personnel is one of the most critical problems facing a number of communities in Columbia County and that maintaining effective emergency protection depends on the ability to train and retain volunteers.

The provision of real property tax exemptions is one appropriate way to recognize the personal sacrifices and dedication of these community-minded men and women that serve the public on a volunteer basis.

The purpose of this Local Law is to adopt the real property tax exemptions provided for volunteer firefighters and emergency medical personnel in accordance with Section 466-a of the Real Property Tax Law to read as follows.

Section 2. Real Property Tax Exemption.

Real property owned by an enrolled member of an incorporated volunteer fire company, fire department or incorporated voluntary ambulance service or such enrolled member and spouse residing in the Town of Austerlitz shall be exempt from taxation to the extent of ten (10) percent of the assessed value of such property for Town purposes, exclusive of special assessments.

NUV 1 6 2023

Section 3. Qualifications.

Such exemption shall only be granted to an enrolled member of an incorporated volunteer fire company, fire department or incorporated voluntary ambulance service if:

- (a) the applicant resides in the Town of Austerlitz and is a member of an incorporated volunteer fire company or fire department or incorporated voluntary ambulance service which provides service within the Town.
- (b) the real property which is the subject of such exemption is the primary residence of the applicant,
- (c) the real property is used exclusively for residential purposes; provided however, that in the event any portion of such property is not used exclusively for the applicant's residence but is used for other purposes, such portion shall be subject to taxation and the remaining portion only shall be entitled to the exemption provided by this Local Law.
- (d) the applicant has obtained and displayed a certificate issued by the authority having jurisdiction for the incorporated volunteer fire company or fire department indicating that the applicant has been an enrolled member of such incorporated volunteer fire company or fire department for at least two (2) years or the applicant has been certified by the authority having jurisdiction for the incorporated voluntary ambulance service as an enrolled member of such incorporated voluntary ambulance service for at least two (2) years.

Section 4. Continuation of eligibility requirements.

The applicant shall maintain continual eligibility for the exemption by being a continuously active member of the incorporated volunteer fire company, fire department, or incorporated voluntary ambulance service. An active member shall meet the requirements for active service as defined by each incorporated volunteer fire company, fire department or incorporated voluntary ambulance service. Annual attestation by such incorporated volunteer fire company, fire department or incorporated voluntary ambulance service is required to maintain this exemption.

Section 5. Twenty year active members.

Any enrolled member of an incorporated volunteer fire company, fire department or incorporated voluntary ambulance service who accrues more than twenty (20) years of active service, as defined in Section 3 hereof, and is so certified by the authority having jurisdiction for the incorporated volunteer

fire company, fire department or incorporated voluntary ambulance service, shall be granted the ten (10) percent exemption as authorized by this section for the remainder of his or her life as long as his or her primary residence is located within the Town of Austerlitz.

Section 6. Un-remarried Surviving Spouses of Volunteers killed in the line of duty.

NOV 16 2023

An un-remarried spouse of a volunteer firefighter or volunteer ambulance worker killed in the line of duty may receive the real property tax exemption if:

- 1. Such un-remarried spouse is certified by the authority having jurisdiction for the incorporated volunteer fire company, fire department or incorporated voluntary ambulance service as an un-remarried spouse of an enrolled member of such incorporated volunteer fire company, fire department or incorporated volunteer ambulance service who was killed in the line of duty.
- 2. Such deceased volunteer had been an enrolled member for at least five (5) years.
- 3. Such deceased volunteer had been receiving the exemption prior to his or her death.

Section 7. Un-remarried Surviving Spouses of Volunteers with at least Twenty Years of Service.

An un-remarried spouse of a volunteer firefighter or volunteer ambulance worker with twenty (20] years of service may receive the real property tax exemption if:

- 1. Such un-remarried spouse is certified by the authority having jurisdiction for the incorporated volunteer fire company, fire department or incorporated voluntary ambulance service as an un-remarried spouse of an enrolled member of such incorporated volunteer fire company, fire department or incorporated volunteer ambulance service.
- 2. Such deceased volunteer had been an enrolled member for at least twenty (20) years.
- 3. Such deceased volunteer and un-remarried spouse had been receiving the exemption of such property prior to the death of such volunteer.

Section 8. Application process.

- 1. Applications for such exemption shall be filed with the Assessor of the Town of Austerlitz on or before the taxable status date on a form as prescribed by the New York State Commissioner for the Office of Real Property Tax Services.
- 2. The Assessor of the Town of Austerlitz shall have the duty and responsibility of procuring and filing a copy of such certification prior to granting the exemption provided for by this Local Law.

Section 9. No diminution of current benefits.

No applicant who is a volunteer firefighter or volunteer ambulance worker who by reason of such status is receiving any benefit under the provisions of law on the effective date of this Local Law shall suffer any diminution of such benefit because of the provisions of this Local Law.

ARTICLE II. Increasing Exemption Levels for Disabled Persons with Low Income

Section 1. Exemption Levels

That portion of Town of Austerlitz Local Law No. 1 of 2007 as codified in section 175-7 of the Austerlitz Town Code is hereby amended and said section 175-7(A) and (B) shall be repealed and replaced in its entirety as follows:

175-7: To be eligible for the exemption authorized by such § 459-c and implemented by this article, the maximum income of such person shall not exceed \$34,000 to qualify for the 50% exemption. For the purposes of this exemption, income shall be measured after deducting medical expenses and prescription drug costs. Medical expenses and prescription drug costs associated with nonreconstructive cosmetic surgery shall not be deductible. Any such person having a higher income shall be eligible for a partial exemption in accordance with the following schedule:

ARTICLE III. Increasing Exemption Levels for Senior Citizens

Section 1. Exemption Levels

That portion of Town of Austerlitz Local Law No. 2 of 2007 as codified in section 175-10 of the Austerlitz Town Code is hereby amended and said section 175-10(A) and (B) shall be repealed and replaced in its entirety as follows:

175-7: To be eligible for the exemption authorized by such § 459-c and implemented by this article, the maximum income of such person shall not exceed \$34,000 to qualify for the 50% exemption. For the purposes of this exemption, income shall be measured after deducting medical expenses and prescription drug costs. Medical expenses and prescription drug costs associated with nonreconstructive cosmetic surgery shall not be deductible. Any such person having a higher income shall be eligible for a partial exemption in accordance with the following schedule:

Annual Income Level	Percentage of Exemption
Up to \$34,000	50%
\$34,000.01 - 34,999.99	45%

Attorney for the Town Joseph Catalano advised that the Planning Board will be discussing land use applications that go to the Columbia County Planning Board for recommendations. If there is an application that needs to be submitted for review, but is not submitted, this could be a jurisdictional defect. Most applications that come before the Planning Board are minor and come back with no recommendations. The County Planning Board is willing to put together an agreement to exempt some projects from referral. This agreement must be presented to the Town Board for approval. The Planning Board will discuss and submit a list of application types that could be considered exempt.

Public Comment

Kyle Reed asked general policy budget questions concerning issues between the Town and the County. Governance questions concerning bidding and procurement policies. Discussed options to use the grant money for. K. Reed noted that the Cornell Cooperative Extension program proposed to the Towns and the County, was to bring people together to sit down and try to look going forward where areas of vulnerability are for power outages and flooding. This would help to make a plan to go forward with. Supervisor Lagonia asked K. Reed to attend meetings at the County to see how governance works on that level. K. Reed noted that LaBranche Road looks great and thanked Highway Superintendent Fitzpatrick.

Deb Oleynek asked that after Thanksgiving a note be put on the sign out front of Town Hall concerning the Annual Tree Lighting.

Supervisor Lagonia noted that the tennis court will be resurfaced in the spring adding lines for one pickle ball court.

November 23 Highway Report

Frost is on the Pumpkins and it's almost time for Turkey!!

We did purchase a powerful leaf blower that runs off the tractor PTO, it works very well and is proving to be very efficient helpful in getting the leaves off the road and out of ditches.

Long term this will save many aggravations in grading and plugged ditches and culverts. We haven't been everywhere with it yet but are steadily working our way around town.

The grader has been out steadily fixing things up for the upcoming winter season. Some places just receiving a touch up, others getting more material and more major reshaping.

Specifically Braley Gleason, Norton, and the Dirt portion of Dugway received more than just a touch up, material and reshaping.

Some spot ditching and cleaning of culverts has been taking place to limit trouble spots.

We have mounted plow frames and Sander screens in preparing the trucks for the upcoming winter.

We are finishing checking over sanders and plows making sure they will be ready when needed.

As the weather gets colder we will begin to work on some of our "housekeeping" projects around the shop and more involved equipment maintenance projects.

As well as transitioning the tractor from the grass flail mower to the boom brush mower to help with winter trimming.

We have some more erosion control and a couple more pipes that we hope to get to before winter arrives?

Hope everyone has a good Thanksgiving!

Town of Austerlitz Planning Board Report October/November, 2023

No regular meeting of the Planning Board was held in October or November. A special meeting was held on October 24, 2023. Present were: Deborah Lans, Chair, Chris Ferrone, Steve Lobel, Dale Madsen, Eric Sieber, Planning Board Members. Also present: Planning Board Clerk, J Lotus.

The special meeting of the Board was called to order at about 7:00 p.m.

In <u>old business</u> the Board heard the application of Berj Krikorian for site plan approval for a 16 Kw 40-panel ground mounted solar array at 1156 State Route 203. The proposed array is sited consistent with all town setback requirements and satisfies height limits. The Board was in touch telephonically with the only potentially affected neighbor, as written communications from and about his position were unclear. The neighbor stated that he did not wish the Board to require screening of the array. The applicant provided a map showing the vegetation around the proposed location in relation to the neighboring property. The file had previously been sent to the county Planning Board which had several recommendations to which the applicant had attended. The Board determined that no public hearing was necessary as no persons would be affected by the array who had not been heard from. The application was a Type 2 SEQRA application. The application having been deemed complete, wit as approved.

The meeting was adjourned at about 7:45 p.m.

Respectfully,

Deborah E. Lans, Chair

Re: Sample Resolution for Exempt Actions – NYSGML §239

Several planning and zoning actions must be referred to the Columbia County Planning Board (CCPB) for review and recommendation (New York State General Municipal Law (NYSGML) §239-h, §239-m) prior to final action being taken locally. These actions include:

- 1. Adoption or amendments of a municipal comprehensive plan
- 2. Adoption or amendments of a local zoning ordinance or local law
- 3. Issuance of Special Use Permits
- 4. Approval of Site Plans
- 5. Granting of Area or Use Variances
- 6. Other authorizations which a referring body may issue under the provisions of any zoning ordinance or local law

Mandatory referral may result in delays, and many mandated referrals have no identifiable significant countywide or inter-community impact, based on the criteria set forth in NYSGML §239-l. As such it would appear that this mandatory referral, in some cases, serves no purpose.

The CCPB is authorized to enter into agreements with municipalities exempting certain actions from referral. Some municipalities adopted an agreement previously, and now the CCPB developed a more extensive list of actions for consideration.

Please review the attached "Sample Resolution". If it is determined that this would be in the best interest of the municipality, the resolution may be adopted by the municipal legislative body and forwarded to the Columbia County Planning Department.

For additional information please contact Patrice Perry at 518.828.3375 or <u>patriceperry@columbiacountyny.com</u>. Thank you for your consideration.

Resolution #43 - 2023, Exempting Certain Referrals Mandated by General Municipal Law Section 239-m

At the regular monthly meeting of the Town of Austerlitz Town Board, duly called and held on the 16th day of November, 2023, the following Resolution was proposed and seconded by:

	55,001
Proposed By:	NOV 16 2023
	NOV 16 2023
Seconded By:	For
√ 80	rewn Board Meeting

WHEREAS, New York State General Municipal Law Section 239-m requires that certain planning and zoning actions be referred to the County Planning Board before final action is taken by the city, town or village having jurisdiction, and

WHEREAS, many of these mandated referrals have no identifiable countywide or intercommunity impact, and

WHEREAS, New York State General Municipal Law, Section 239-m-3-c, allows for the municipality having jurisdiction and the County Planning Board to enter into an agreement that exempts certain actions from mandatory referral, and

WHEREAS, the Columbia County Planning Board has determined that the following actions will not have an identified countywide or inter-community impact:

- 1. Any area variance seeking relief from a front yard, side yard or rear yard setback on an existing or prior approved parcel
- 2. Any variance, site plan review or special permit for an oversized sign, for additional signage in excess of what is permitted in a specific zone or any sign that exceeds the maximum allowed height.
- 3. Any variance, site plan review or special permit required for the conversion of a single-family residence into a two-family residence, providing provisions are included in the local ordinance for Health Department approval of any on-lot system serving such conversion.
- 4. Any variance, site plan review or special permit required for any temporary use established pursuant to the provisions of the local ordinance.
- 5. Any variance required for any fence including height, setback, materials or construction methods, except that no fence required by the N.Y.S. Uniform Fire Prevention and Building Code shall be the subject of any variance considered by the local Zoning Board of Appeals.
- 6. Any Site Plan Review, Special Use Permit or variance required pursuant to a Historic District Review of an existing or new structure.

- 7. Any area variance required for the creation of an undersized parcel via the sub- division process, providing the Health Department has approved the on-lot well and septic system locations.
- 8. Any variance, site plan review or special permit required for the expansion of an existing business or commercial use providing the expansion is located in the side or rear yard of the parcel and that the expansion does not exceed 50% of the existing building size.
- 9. Any variance, site plan review or special permit required to establish a permitted home occupation within an existing residence or accessory structure.
- 10. Any variance, site plan review or special permit required for the replacement of an existing mobile home with another.
- 11. Any area variance, site plan review or special permit required for the erection of any permitted accessory structure or use within the required side or rear yards of an existing parcel.
- 12. Any variance, site plan review or special permit required to establish more than one residence on a single parcel providing that each residence is located in a manner that would allow for a theoretical sub-division at a future date.
- 13. Any variance, site plan review or special permit for a mining operation of a scale that would not require a Mined Land Reclamation Permit from N.Y.S.D.E.C.
- 14. Any action by a local municipal board that would establish a temporary developmental moratorium providing the length of the moratorium does not exceed three (3) months.
- 15. Any area variance, site plan review or special permit required for the installation of any type of radio communication antenna, but not including cellular or digital telephone towers or other personal wireless communications facilities.
- 16. Any variance, site plan review or special permit required for the installation of any requirements pursuant to the American Disabilities Act.
- 17. Any variance, site plan review or special permit required for the creation of a pond, provided no N.Y.S.D.E.C. permit is required due to the limited size and/or location of the pond.
- 18. Any variance, site plan review or special permit required for the establishment of a residential use on the second floor of a structure whose ground floor is occupied by a business or commercial use.
- 19. Any variance, site plan review or special permit required to establish a dwelling unit that is smaller in size than allowed by the local zoning ordinance.
- 20. Any variance, site plan review or special permit required to establish a second or subsequent business entity, not exceeding 10,000 square feet, operated by the owners of and located on an active farm operation.
- 21. Any variance, site plan review or special permit required to establish a residential solar energy system that provides energy for the use of the property.
- 22. Any Site Plan Review, Special Use Permit, or Area Variance required for a building integrated solar energy system proposed for an existing structure, provided the Local Fire Chief review is required.
- 23. Any Site Plan Review, Special Use Permit, or Area Variance required to establish a single-family, duplex or two-family residential dwelling in a single structure.
- 24. Any Site Plan Review, Special Use Permit or Area Variance required to establish a short term rental use in an existing structure, or accessory structure.
- 25. Any abbreviated, and/or expedited Site Plan Review.

- 26. Any Site Plan Review, Special Use Permit, or Area Variance required to establish a Home Occupation in an existing primary or accessory structure.
- 27. Any Site Plan Review, Special Use Permit, or Area Variance required to install an electric vehicle charging device for single-family or multi-family-residential use of four (4) units or fewer, housed in the one (1) structure

NOW, THEREFORE, BE IT RESOLVED as follows:

- 1. That the Town Board of the Town of Austerlitz does hereby concur that the aforementioned exemptions do not have an identified countywide or inter-community impact and agree that such actions shall no longer be referred to the Columbia County Planning Board for review and recommendation, and
- 2. That the Town Board of the Town of Austerlitz hereby reserves the right to request a review and recommendation on any of the aforementioned exempt actions, if in their opinion such review and recommendation are warranted due to the specific circumstances of the requested action.
- 3. This Resolution shall take effect immediately.

Proposed By:	NOV 16 2023
Seconded By:	For Town Board Meeting

Whereas, the Town of Austerlitz adopted Columbia County's first Climate Action Plan for Municipal Operations in June 2023, outlining a path to operate the Austerlitz Government at net zero by 2050; and

Whereas, the Climate Action Plan advises the town to prioritize cutting source 1 (direct combustion) from facilities as a first step in reducing greenhouse gas emissions; and

Whereas, the Town Highway Garage was identified as the largest source of emissions from facilities and the second largest source of emissions from all operations; and

Whereas, the Town commissioned a NYSERDA energy study to determine appropriate interventions for reducing GHGs at the Town Highway Garage; and

Whereas, the garage's fuel-oil powered boiler was determined to be the major source of emissions; and

Whereas, the Town of Austerlitz Climate Smart Community Task Force was empowered to solicit estimates to write a Building Decarbonization Grant from Partners for Climate Action to support an alternative HVAC system for the garage; and

Whereas, an estimate was solicited from the Radiant Store to determine cost of an air-to-water heat pumps to tie into the current hydronic radiant flooring system; and

Whereas, an estimate was solicited from Plug PV to expand the current solar array to 37kw to offset additional electricity demand from new heat pumps; and

Whereas, the Town of Austerlitz Climate Smart Community Task Force is seeking Town Board for approval to submit its Decarbonization Grant Application for \$95,000 to Partners for Climate Action to support air-to-water heat pumps for the town highway garage and accompanying solar array expansion;

NOW, THEREFORE, BE IT RESOLVED that the Town Board of the Town of Austerlitz does hereby approve the proposed project and grant application described above and authorizes
